SGAT Advice Notice No. 13

December 12, 2007

NEW MEXICO PUBLIC REGULATION COMMISSION

Qwest Corporation ("Qwest") hereby gives notice to the public and the Commission of the filing of Eighth Amended Exhibit A to Qwest's New Mexico Statement of Generally Available Terms ("SGAT"), Eleventh Revision. Eighth Amended Exhibit A is Qwest's price list for unbundled network elements and interconnection services provided pursuant to the SGAT. Eighth Amended Exhibit A is filed in further compliance with the Final Order (the "Order") issued by the New Mexico Public Regulation Commission (the "Commission") on June 7, 2007, in Case No. 05-340-UT, and Qwest asks the Commission to permit Eighth Amended Exhibit A to take effect immediately pursuant to the Order. In compliance with Qwest's SGAT Review Procedures as approved by the Commission on December 16, 2003, in Case No. 003-00025-UT, Qwest provides the following information regarding this filing:

1. Eighth Amended Exhibit A is submitted with this Advice Notice. An additional copy of Eighth Amended Exhibit A is also submitted with the text marked and footnoted to show and briefly explain all changes and revisions to Sixth Amended Exhibit A to Qwest's New Mexico SGAT, Eleventh Revision. The two copies of Eighth Amended Exhibit A are labeled as Schedule A to this Advice Notice.

2. When Qwest filed SGAT Advice Notice No. 12 with Seventh Amended Exhibit A, Qwest notified the Commission that until it completed the billing system programming necessary to implement the new zone pricing required by the Order, Qwest intended to charge the Zone 1 price, which is the lowest applicable price, for all elements that are priced by zone, and that after completing the necessary programming and giving notice to affected customers, it would begin charging the Zone 2 and Zone 3 prices prospectively only. Endnote 19 was inserted in Seventh Amended Exhibit A to reflect these intentions. Qwest has now completed the necessary programming and notified affected customers that it will begin billing Zone 2 and Zone 3 prices effective December 12, 2007. To minimize customer confusion, Qwest is therefore removing Endnote 19 from Eighth Amended Exhibit A. There are no other changes to Seventh Amended Exhibit A in this filing.

3. To Qwest's knowledge, the proposed changes reflected in Eighth Amended Exhibit A do not conflict with any order or rule of the Commission currently in effect.

4. Copies of this Advice Notice and Eighth Amended Exhibit A with and without marked changes, are posted to Qwest's website and are available at <http://www.qwest.com/about/policy/sgats/NM.html>.

Respectfully submitted,
MONTGOMERY & ANDREWS, P.A.
