

How to Download and Install Microsoft Office Outlook Connector

Email Type: @hotmail.com

Outlook Connector

Use this document if:

- You want to configure @hotmail.com e-mail address using (Delta Sync HTTP)

This document assumes:

- You know your email address username and password
- You have a working copy, registered copy of Outlook 2003 or 2007
- You have a working Internet connection
- You are a Qwest customer

1. Open up a web browser.

2. Go to <http://download.live.com>, look in the lower right-hand corner of the screen, select '**Microsoft Office Outlook Connector**'.

The screenshot shows a webpage with a sidebar on the left and a main content area on the right. The sidebar contains links for 'Web browsing', 'Toolbar', and 'Family Safety'. The main content area lists 'Additional programs' including 'Movie Maker', 'Family Safety', 'Toolbar', 'Microsoft Office Outlook® Connector' (highlighted with a red box), 'Office Live Add-in', and 'Microsoft Silverlight'.

3. Click **Download now**.

The screenshot shows the Microsoft Office Outlook Connector download page. The page has a navigation menu on the left with sections for 'Product Information' and 'Help and How-to'. The main content area features the title 'Microsoft Office Outlook Connector', a breadcrumb trail 'Home > Products > Outlook', and a 'Download now' button highlighted with a red box.

4. Scroll down to the bottom of the page, click the **Download** button for Outlook Connector.exe.

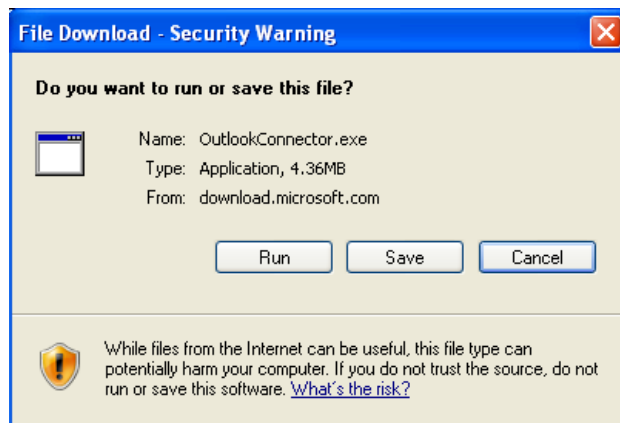

Files in This Download

The links in this section correspond to separate files available in

File Name:	File Size	
OutlookConnector.exe	4.4 MB	Download
RTW FAQ final.docx	22 KB	Download

< Back Next > Cancel

10. Click **Install**.

Program Install 

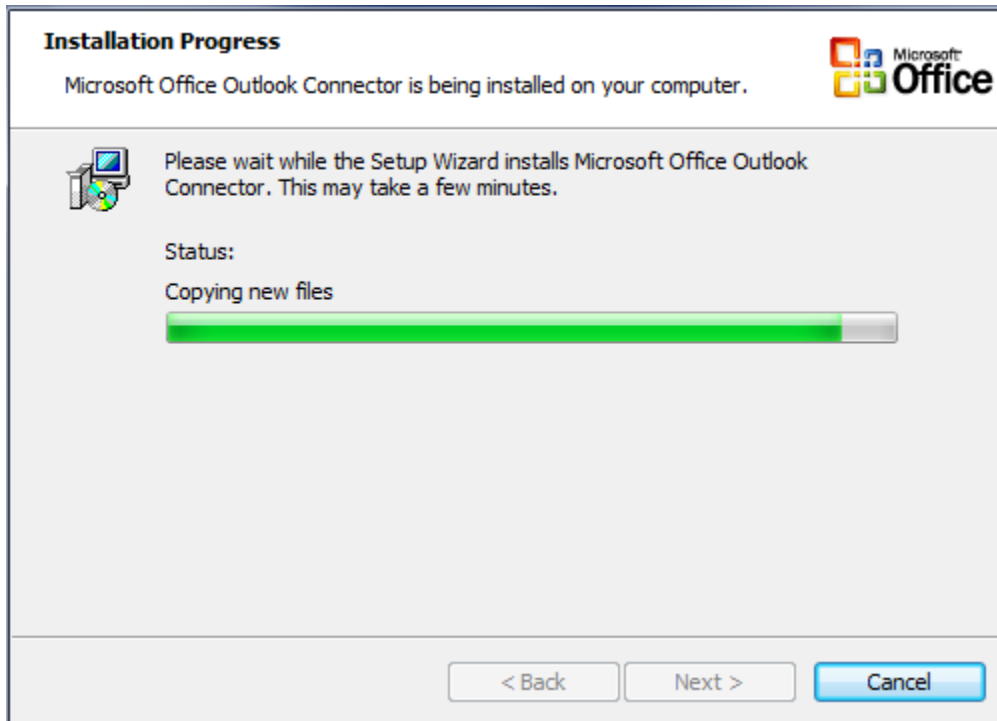

The wizard is ready to begin installation.

Click Install to begin the installation.

If you want to review or change any selections, click Back.

< Back Install Cancel

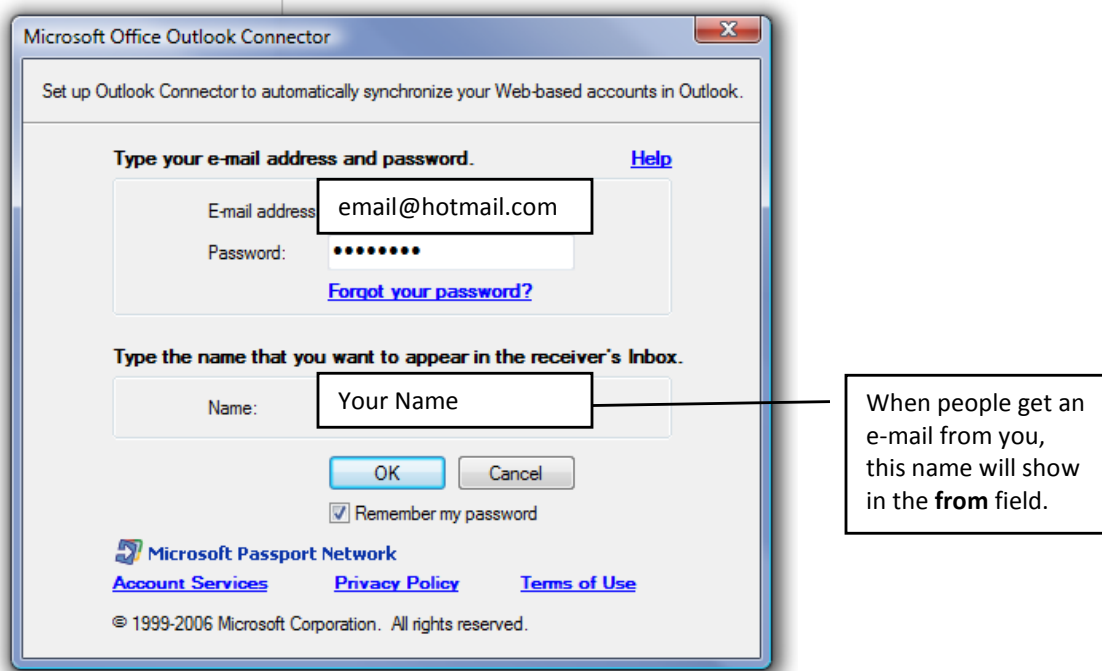

11. This screen will display the progress of the installation. **No action is required.**

12. Click **Next**.

13. Enter your @hotmail.com E-mail address, Password and Name.

The screenshot shows the "Microsoft Office Outlook Connector" dialog box. The title bar reads "Microsoft Office Outlook Connector" with a close button. Below the title bar, it says "Set up Outlook Connector to automatically synchronize your Web-based accounts in Outlook." The main area is divided into two sections. The first section is titled "Type your e-mail address and password." and contains a "Help" link. It has two input fields: "E-mail address" with the text "email@hotmail.com" and "Password" with seven dots. Below the password field is a link "Forgot your password?". The second section is titled "Type the name that you want to appear in the receiver's Inbox." and has a "Name:" label followed by an input field containing "Your Name". Below this section are "OK" and "Cancel" buttons, and a checked checkbox labeled "Remember my password". At the bottom, there is a "Microsoft Passport Network" logo, links for "Account Services", "Privacy Policy", and "Terms of Use", and a copyright notice: "© 1999-2006 Microsoft Corporation. All rights reserved." A callout box on the right points to the "Name:" input field with the text: "When people get an e-mail from you, this name will show in the **from** field."

14. On the left-hand side of your screen you will see your email address and any folders you created previously.
