

## How to Download and Install Microsoft Office Outlook Connector

Email Type: @live.com

### Use this document if:

- You want to configure @live.com e-mail address using (Delta Sync HTTP)

### This document assumes:

- You know your email address username and password
- You have a working copy, registered copy of Outlook 2003 or 2007
- You have a working Internet connection
- You are a Qwest customer

1. Open up a web browser.

2. Go to <http://download.live.com>, look in the lower right-hand corner of the screen, select '**Microsoft Office Outlook Connector**'.

A screenshot of the download.live.com homepage. On the left, there is a section titled 'Web browsing' with a description: 'With Toolbar, you can customize your browser and find what you need, fast. Family Safety helps you keep your kids safer online.' Below this are links for 'Toolbar' and 'Family Safety'. On the right, there is a list of 'Additional programs:' including 'Movie Maker', 'Family Safety', 'Toolbar', 'Microsoft Office Outlook® Connector' (which is highlighted with a red box), 'Office Live Add-in', and 'Microsoft Silverlight'.

3. Click **Download now**.

A screenshot of the Microsoft Office Outlook product page. The page has an orange header with 'Microsoft Office Outlook'. Below the header is a navigation menu on the left with sections for 'Product Information' and 'Help and How-to'. The main content area shows the title 'Microsoft Office Outlook C', a breadcrumb trail 'Home > Products > Outlook', and the text 'Applies to: Microsoft Office Outlook 2007, Outlook 2003'. The main heading is 'Manage all your email accounts' followed by a description: 'Outlook Connector provides a free solution for managing your mail and contacts from within Outlook. With the new release you can connect your Windows Live Hotmail account in Microsoft Office Outlook 2007 or Outlook 2003 free of charge.' A yellow 'Download now' button is highlighted with a red box at the bottom of the page.

4. Scroll down to the bottom of the page, click the **Download** button for Outlook Connector.exe.

**Files in This Download**

The links in this section correspond to separate files available in

File Name:	File Size	
OutlookConnector.exe	4.4 MB	<a href="#">Download</a>
RTW FAQ final.docx	22 KB	<a href="#">Download</a>
