

CONNECTED HOME™

Connected Home is a convenient, money saving package that includes both your home phone and high speed internet access. It includes CustomChoice® which provides unlimited local calling and your choice of our 20 most popular telephone features. MSN Broadband powered by Qwest features a high-speed DSL internet connection and unlimited access to MSN's award winning online services. Plus, Connected Home subscribers save \$99.00 on MSN DSL activation. All for as low as \$72.90 a month.

IMPORTANT INFORMATION REGARDING YOUR QWEST BILL

The monthly Connected Home rate will not appear as a single line item on your bill. Instead, the component services will be itemized and appear on separate pages within your bill. The total of the itemized service will be equal to the advertised package amount unless you selected the higher speed DSL option.

FOR EXAMPLE, QWEST LOCAL SERVICES SECTION:

CustomChoice - \$32.95

MSN INTERNET ACCESS SECTION:

MSN Internet Access - \$39.95

If you have questions or require additional assistance with your bill, please contact 1 800-244-1111.

All offers, prices and package components subject to change without notice and not available in all areas. Certain offers available to residential customers only. Some restrictions and limitations apply.

MSN Internet Service: Customer must subscribe to all components of the package for the \$99 MSN DSL activation charge to be waived. Customers must have Qwest wireline phone service. Qwest and MSN reserve the right to change fees at any time. Service not available in all areas.

CustomChoice® - Price comparison to individually priced services. Offer valid for residential customers only. Price does not include other charges such as CALC, zone increment, EAS or taxes. Caller ID, Call Waiting ID and Caller ID with Privacy + require compatible display equipment or a compatible phone such as the Home Receptionist®. The display unit shows the listed name and number for the phone line your caller is using. Not all numbers and/or names will be displayed, logged or spoken, if you have Talking Call Waiting, Selective Call Forwarding and Priority Call may not operate on blocked and certain other calls. The same special ring is used for Custom Ringing, Priority Call and Long Distance Alert. If you have these services, you may not be able to distinguish between calls. Other limitations and restrictions apply. Some services not available in all areas. Price subject to change without notice. Ask your Qwest Service Representative for details.

Available in most areas. Some restrictions apply.
