

TOTAL PACKAGE™

Our records indicate that you have selected some of our most popular services and are now a Qwest Total Package customer! Qwest Total Package includes CustomChoice®, Qwest Wireless service, Unlimited Internet service and Voice Mail. Whether in your car or online, in your home or unavailable, Qwest Total Package features help you customize your wireless or home telephone service to the needs of your busy lifestyle. Qwest Total Package is designed to add value, convenience and flexibility to your Qwest phone services. Qwest products make communication easy. Total Package makes it even easier.

- **CustomChoice Pak** includes your home phone service, unlimited local calling and many of Qwest's most popular and useful features including Caller ID, Call Waiting, Priority Call, 3-Way Calling, Speed Calling, Call Rejection, Call Forwarding, Long Distance Alert, and many others.
- **Qwest Wireless** offers a choice of several wireless plans. Many include free domestic long distance service*, bonus minutes and FREE set-up.
- **Unlimited Internet Service** provides unlimited Internet access plus two email boxes, your own customizable home page, instant messaging and the latest version of Netscape Communicator.
- **Voice Mail** allows you to use a single voice mailbox to answer both your home and wireless phones.

We're sure you'll enjoy the special package savings that Total Package and our other Qwest Paks will add to your Qwest phone service compared to purchasing these features separately. Thank you for making Qwest your telecommunications provider of choice.

Qwest. 
Spirit of Service™

Offers valid for residential customers only. Wireless free long distance offer applies to domestic U.S. long distance calls placed from within your Qwest home service area. All Qwest Caller ID related products require compatible display equipment which is not included in the Total Package monthly fee. Voice Mail requires Touch Tone phone. Long distance charges apply for customers who access their voice mail service or Internet service from outside the local calling area. Total Package wireless plan is available as long as customer retains Total Package service plan. All set-up charges are waived for customers who purchase the wireless plan with Total Package. Wireless calls are timed from send/talk to end/off. Completed calls are billed in full minute increments, rounded up to the next minute. All roaming charges apply. Phone price is not included in price of Total Package service plan. Wireless service requires a 1-year service agreement. A \$200 fee applies for each phone deactivated after the first 30 days and prior to fulfilling the 1-year service agreement. Other wireless plans are available that do not include long distance and the service charge waiver. Qwest's network is built to support but does not guarantee speeds up to 56k using the 56k flex protocol. Service is capable of receiving up to 56kbps and sending speeds up to 31.2kbps. Actual speeds may vary depending on line condition, weather and other factors. Due to FCC regulations that restrict power output of service provider's modem, receiving speeds are limited to 53kbps. Available in most areas. Some restrictions apply.
