Dear Ms. Pardee:

This letter is in response to your formal escalation (SCR090601-1-E05) regarding UNE-P orders to be billed on a CABS bill, dated January 23, 2002.

Qwest has reviewed the formal escalation and is pleased to inform you that we will be able to meet AT&T's request for providing UNE-P bills in a BOS billing format. This capability will become available in Qwest's Western, Central and Eastern Regions beginning with the July bill cycle, July 1, 2002.

Please contact me by telephone at (303) 896-7276 or by e-mail at jlthomp@qwest.com if you have any questions.

Sincerely,
